Class History

September, 1955, we are there. Yes, remember that first day at Gilbert, everybody in his new clothes and looking his best. (My how times have changed.) As freshmen we were subject to all sorts of antics by the upperclassmen. But soon we took our part in running the school by electing Fred Paris to the Student Council. We began to join clubs and really take an interest in the "Golden Halls."

Boy did we have fun when the social life got underway--the Dramatic Club's "By Jupiter," the Alumni Game, and the exchange concert with Keen, N. H. Our class was well represented in all these activities. But there were still more new experiences Gilbert's marking system, exams, and of course how to get in good with the teachers.

Though we had much fun, we all looked forward to those carefree summer days.

No sooner had they come than they were over and we found ourselves back in school. But as sophomores, much wiser and more grown up than before. The center of things for 1956-57 was Room 9, Miss Littlefield's room. Remember fish, snakes, hampsters, and the duck? And how could we forget the smell of phormaldihite? But we had other things on our mind too. This year we elected Sheila Garbus and Bob Ransford to the Student Council and had a more active part in the Youth Activity Council.

Remember how we cheered for Butch Machowski, Tony Marino, Bob Hanley and Jo Di Martino at the football games.

We excelled especially in basketball and worked our way to the C. I. A. C. tournament with East Haven. The year was over too soon!

With the beginning of the 57-58 school year, we were at last upperclassmen. This year we were really big shots. We elected Sheila Garbus and Dennis O'Keefe to the Student Council for two-year terms and Pat Hunt and Ameila Nero for one year terms. Soon after the class officers were chosen -- President, Dennis O'Keefe; Vice President, Tony Italia; Secretary, Diane Pulver; Treasurer, Tony Marino. Our leaders and talented classmates really began to be noticed by the rest of the school. Sheila Garbus scored in the writing contest at C. S. P. A. and the "Gilberteens" went on to win second prize at the New England Music Festival and also to appear on T.V. Oh yes, remember the T. A. P. Minstrel and the other money raising campaigns.

Two other events were the TB tests, with everyone anticipating a long visit to the sanatorium, and the unforgetable Faculty Game. As the year was drawing to a close everybody was looking forward to the prom. The juniors working on the committee were Tony Blatz, Jan Foster, Kathy White, Ann Martin, Dennis O'Keefe, and Bob Hanley. Kathy White and Sheila Garbus were full of stories to tell about Girls' State and Boy Hanley, Brian Dunn, Tom D'Amore, Billy Dyer, and Danny Ostapko had quite a bit to say about Boys' State. Bob Ransford and Butch Machowski were equally eager to share their experiences at the Bob Cousy Basketball Camp.

Finally we had reached the top. We were seniors. Practically every club claimed a senior as its president. We were really going places this year. Sue Chapman, Judy Carey, and Gail Skilton became honorary members of the Winsted Womans' Club.

Seniors

Cont'd from page 16

Large audiences enjoyed "Onions in the Stew" and the exciting Alumni Game. The Yellow Jackets ended in second place thanks to their talent and the cheering of the cheerleaders captained by Rozzie Hayes. Bob Hanely captured the office of senior president. Other officers were Ann Martin, vice-president; corresponding secretary, Diane Pulver; recording secretary, Tony Marino; and treasurer, Judy Carey. The class also chose two Student Council members, Butch Machowski, and Ann Martin, who became president of the council.

About the same time, senior pictures were taken. Although we enjoyed buying and trading them our parents felt a little different about it. Again this year Sheila Garbus won second prize at the C.S.P.A. Soon work began on the '59 T.A.P. drive. George McCannon coped the State Chairmanship while Diane Pulver and Sheila Garbus were county and local chairmen respectively. Our last year at Gilbert was filled with wonderful memories and events, and before we knew it June had arrived. Class night, another exciting prom, and of course graduation. These activities concluded our four wonderful years at Gilbert and these memories will remain upmost in our minds forever.

Senior Class Officers

Left to Right:
Anthony Marino, Ann Martin, Robert Hanley, Diane Pulver, and Judy Carey

Being officers of the senior class is more than an honor -- it's a great responsibility. For it is the job of these students to help gain a closer relationship with the faculty and to get the seniors to work together for a successful year. It takes team work to plan graduation, the banquet, the class picnic, and fund raising activities for the class gift.

The top-ranking student in the class of '59 is Brian Dunn with a 93.62 average. He is followed by Carol Sue Chapman with 91.91 average. The other six highest students are William Dyer, 89.99; Corrine O'Brien, 89.48; Patricia Hunt, 89.42; Sheila Garbus, 88.96; Daniel Ostapko, 88.96; and Richard Zimmerman, 88.45.

Golden Memories

What events in Gilbert did you enjoy most of all? It could have been a number of things, and in all fields: Music, Drama, Sports, and, of course, Social Life.

Was it in Music? It could have been. Many enjoyable concerts and festivals were attended by our band and chorus. The band always represented Gilbert well at parades during those hot summer months and football games in the colder weather. Their high spirit in all weather made us very proud of them. Our chorus will always have the memories of all the joint concerts with Keene, N. H., Plainville, and White River Junction. Yes, we have a music department to be proud of!

Drama

Drama? Remember some of those hilarious plays put on by our Dramatic Club? STARDUST, OUR HEARTS WERE YOUNG AND GAY, and ONIONS IN THE STEW were all very well attended and enjoyed tremendously by the students, faculty, and all of Winsted. Everyone in our Dramatic Club should be praised for their hard work and professional acting.

In Sports? Those exciting football games will always be remembered. Our boys kept their spirit and teamwork up no matter how the weather was. The basketball games were just as thrilling. The students and our special cheering squads always lead our boys onto victory.

Social Life? This is the field that everyone likes most of all. Our first dance of the year is the "Senjun-Sopfrosh" sponsored by the Newsboard. The purpose of this dance is to "get acquainted" with our new freshman. Isn't it?? There are many more informal dances like that to follow. Then, of course, the Thanksgiving dance is the big one. This year the Glee Club put on "Winter Wonderland". It was a semi-formal dance, and very successful. The favorite of every year is the prom. Each year the theme is different, but the enjoyment always remains the same. Oh! What a life!

Do you remember all of these exciting events? You can probably recall many more that were just as much fun. But what does the future hold for you? Again, there are many fields into which you can enter and enjoy. It may be college, teaching, engineering, or eventually marriage. Whatever your choice is, we hope that you will be very successful and have as much enjoyment in the future years as you did in Gilbert.

One of Gilbert's largest clubs, the Dramatic Club, is comprised of those who possess interest and talent in the various phases of dramatics. The highlight of the Club's activities was the annual presentation of a three-act play in which the members not only provided entertainment for the student body; but they also gained much in the fields of acting, make-up, and other back stage work. The 1958-59 product duction, "Onions in the Stew", starring Gail Hoxie, George Light, George McCannon and many tohers was directed by Mr. Sturtevant.

The Dramatic Club meets weekly and enjoys both entertaining and instructive programs. New members are on probation for an entire year and are formally accepted into the Club at the banquet in June. In addition to the banquet, parties and other enjoyable activities take place during the year.

Senior Cheerleaders

Senior girls interested in cheering the senior boys on at the annual Thanksgiving Alumni game join and form the senior cheerleaders. The girls held three vigorous practice sessions each week for one month preceeding the game. At these practices they compose cheers, chants, and learn to do splits and cartwheels. This year the girls were very fashionably attired in royal blue and white.

Co-captains were: Georgia Gatto and Marcia Woodworth. Kathy White, Peggy O'Neill, Jackie Langlois, Barbara Jackman, Jean Herdling, Judy Hayes, Judy Carey, Sue Dayton, Jan Foster, Paula Indeminco, Dawn Ransford, Amelia Nero, and Belinda Jackman.

The Student Council is composed of eleven students of principle and intergrity. This group, in co-operation with Mr. Moseley, the faculty, and the student body, work for the good of the entire school.

This year they assumed the responsibility of arranging Gilbert's social calendar. Another new policy of the Council was its affiliation with the Connecticut Federation of Student Councils. It has also initiated the idea of having a treasury.

The Cheerleaders are a very important part of every football and basketball game, for it is their job to give moral support to the teams and to arouse school spirit in the student body.

Under the leadership of Roslyn Hayes, the girls have prepared many new cheers this year and have succeeded in teaching the Pep Club Members the cheers to help them in their efforts.

In the spring new members are chosen to replace graduating seniors. The selections are based on the ability to learn, attitude, and the appearance of the girls.

GILBERT POSTS 5-2 RECORD FOR 1958 GRID SEASON

FORTUNA COACHES YELLOW JACKETS TO SECOND PLACE FINISH IN NORTH CENTRAL LEAGUE

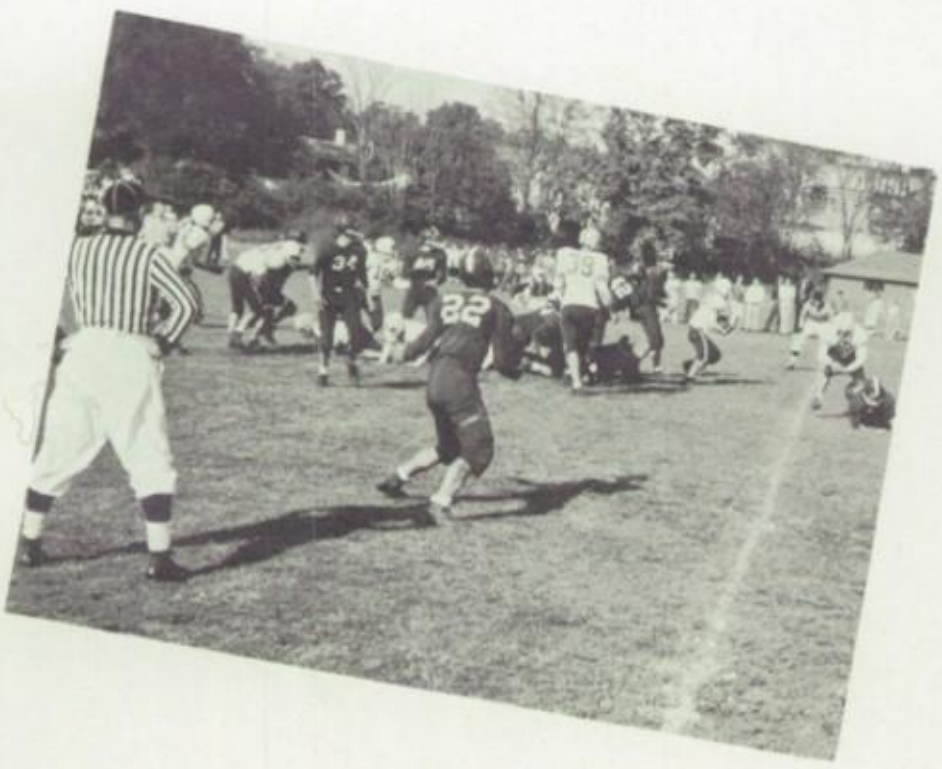
Following the disastrous 1957 football season, in which they won only one, lost five, and tied one, Coach Jim Fortuna's Gilbert Yellow Jackets rebounded in 1958 with a 5-2 record and gained second place in the North Central League.

With a flock of veterans forming the nucleus of the squad, the 'Jackets lost only to Canton (6-18) and Sacred Heart (0-20), while winning from Simsbury (12-8), Wilby (28-0), Farmington (46-16), Housatonic Regional (26-0), and Berlin (8-6). The Junior Varsity, under the direction of Leslie Anderson, kept pace with the Varsity's success by compiling a 3-1-1 record.

Closing out their football carrer at Gilbert were co-captain Tony Marino, Bob Hanley, Butch Machowski, Dennis O'Keefe, Joe DiMartino, Don Day, Paul Falzone, Joe Mangione, Rich Sesko, Jeo Machowski, Bob Sesko, and Pete Dautrich. Other standouts include: Tom McDermott, Jarv McCannon, Dave Ahlman, Jim DiVita, Bang Williams, Jon Ryan, Clark Sisson, Moe Dulude, and Jules Bunel.

For the future these just mentioned underclassmen and a fine crop of freshmen should combine to produce many fine elevens.

Praise is also in order for Mr. Daniels, Mr. Beecher, and Leon Veretto, who aided coaches Anderson and Fortuna in leading the 'Jackets to success. Congratulations to the team for its perseverance and spirit; to the coaches for their patience and hard work; and to those industrious student managers.



Basketball Team

Left to Right: First Row: John Filli, Ronnie Perkins, Walter Machowski, Robert Ransford, Thomas McDermott. Second Row: Mr. Flaherty, Bang Williams, Dennis O'Keefe, George Smith, George McCannon, Gary William.

Basketball Season, 1958 -59

Coach Bill "Doc" Flaherty's Gilbert Yellow Jackets gamely struggled through a disappointing 1958-59 basketball season, cluminating their efforts with a heartbreaking 41-54 defeat at the hands of the Branford Hornets in the CIAC Class B Tournament.

Bad breaks began to take their toll on the Blue and Gold quintet, which recorded eight hard-earned victories and suffered through 14 bitter defeats, ever before the first game. Walter "Butch" Machowski, tri-captain and all-star guard on the 1957-58 Housatonic Valley B League post-season "dream team", sustained a serious knee injury in a football game against Berlin. Machowski's loss contributed highly to the 'Jackets poor start which saw them drop eight of the first eleven decisions.

The starting five of Dennis O'Keefe, this year's leading scorer and rebounder and a tri-captain, Bob "Cousy" Ransford, flashy ball-handler and tri-captain; Gary "Hops" Williams; Tom "Mac" McDermott; and Eliot "Bangs" Williams carried on in fine style holding the team together for the first half of the teams schedule despite many disheartening reversals. The Jackets bolstered their thin reserve coups by the addition of sensational freshman Jim DiVita and guard Ron Perkins and quickly ran up three straight wins, not only putting themselves in line for tournament consideration but also opening the possibility of a Housatonic Valley B League Championship.

However, the squad had to struggle to qualify for the CIAC Playdowns and had to settle for a share of first place with Housatonic Valley Regional of Falls Village and Henry Abbott Tech of Danbury. This late season slump might be attributed to an emotional let-down of the players, part, following a tedious schedule.

Once the Flahertymen reached the playdowns ranking last in a field of 20, they sensed a chance to redeem lost glory and upset sixteenth-rated Windsor 67-64. Following this excellent team effort, the Jackets tore after a medicore eighth-seeded Bradford Hornet "5" and were just eight minutes away from clinching a quarter-final berth when several questionable calls, which plagued the Blue and Gold season-long, went against them. The downstaters then made the most of their glorious opportunities and triumphed 54-51.

Considering all the disadvantages which they had to encounter (i. e. --very poor attendance both at home and away, lack of bench strength, injuries and scholastic problems of key players, and spotty, to say the least, officiating), Gilbert Hoopsters distinguished themselves on the court. O'Keefe averaged over 12 points a game, and 18 rebounds per game; Ransford, although not playing up to par until late in the season pitched in over 200 tallies for the second straight year and won several key games with clutch shots; "Hoppy" Williams hit his peak with 25 against Watertown and showed proved a tremendous handyman, hustled all the way, and developed into a better scorer; McDermott more than tripled his point production of last year; Perkins came through handily as a late season surprise; and DiVita gave O'Keefe occasional help on the boards, while gaining valuable experience.

McDermott, Bang Williams, Perkins, and Di Vita are scheduled to return in 59-60 along with Dave Ahlman, Dave Watson, Steve Sedlack, Richie Simmons, and Bill Dorn, among others. Those who donned the Gold and Blue for the last time for the Branford game were O'Keefe, Ransford, G. Williams, and George McCannon. Machowski also bid farewell to action for good but did not dress due to his bad knee which kept him out of action for all but one of the contests.

J. V. Coach Dick Healy deserves congratulations for piloting the "Little Jackets" to their first winning (12 wins 10 defeats) season in several years. Through his efforts and those of the boys, Gilbert should have many fine tournament teams in the days to come.
